Annual Report, 1959

1.—STATISTICS AND SOCIAL CONDITIONS OF THE AREA.

AREA—4,391 acres.

POPULATION—Estimated residents 6,580.

Number of inhabited houses at end of 1959 according to the rate books 2,335.

Rateable value, £80,586.

Sum represented by a penny rate, £320.

Social and Physical Conditions.

The District is divided into four wards for the purpose of election to the Urban Council. Appledore returning 5 members, Northam 4, Westward Ho ! 4, and Orchard Hill 3.

Appledore has shipbuilding and repairing yards, which employ a large number of hands, and is a favourite sea fishing centre. Northam, Westward Ho ! and Orchard Hill wards are chiefly residential, Westward Ho ! being a popular seaside resort. Sand Yachts are in use on the sands at Westward Ho !

The well-known championship links of the Royal North Devon Golf Club are situated on Northam Burrows, and attract a large number of visitors during the year.

Under the name of Kipling Tors, a hillside overlooking Bideford Bay and situated in the south-western area of Westward Ho ! has recently been purchased as part of a Kipling Memorial and handed over to the National Trust. This land is about 18 acres in extent, and is a welcome addition to the free beauties of the district.

2—VITAL STATISTICS IN 1959.

1.	Live Births number	80
	Rate per 1000 population	12.1
2.	Illegitimate Live Births per cent of total live births	1.25
3.	Still-births number	2
	Rate per 1000 total live and still-births	24.4
4	Total Live and Still Births	82
5.	Infant Deaths (deaths under 1 year)	2

36.	Homicide and operations of war	—	—
ALL CAUSES					60	65

There were no deaths from Measles, or other infectious diseases of children.

3.—GENERAL PROVISION OF HEALTH SERVICES IN THE AREA.

(1)—**Public Health Officers of the Authority.**

There are two Public Health Officers of the Council—the Medical Officer of Health, and the Surveyor and Public Health Inspector.

(2)—**Nursing Arrangements in Area.**

The nursing arrangements are covered by two fully qualified Nurses who also act as Midwives. One is responsible for Appledore and Westward Ho ! Buckleigh and part of Northam, and the other for part of Northam with her duties in Bideford. Their work is of a high standard, and there is full co-operation with the General Practitioners of the district. The Home Nursing Service does much to relieve the pressure on the Hospitals.

(3)—**Hospitals.**

The District is provided for by the Bideford and District Hospital. The Hospital is available for Medical and Surgical cases and contains 51 beds, with special services available at clinics held in the Hospital.

The Isolation Hospital, now called The Kingsley Hospital, situated at East-the-Water, Bideford, provides for infectious cases from the whole of North Devon.

The Torridge Hospital, situated in Meddon Street, Bideford, provides hospital care for geriatric and chronic medical patients. It is very well equipped with modern appliances. At the moment it provides 70 beds, the rest of the building being under reconstruction and modernisation. When completed it is hoped to increase the number of beds to 104.

(4)—**Ambulances.**

The Ambulance Service is under the control of the National Health Service. Two Motor Ambulances are kept for Bideford and District for non-infectious cases and an Ambulance is kept at the Isolation Hospital for the use of cases using that Hospital.

(5)—**Clinics and Treatment Centres.**

A treatment centre for Venereal Disease and a Tuberculosis Dispensary are available at Barnstaple for Northam District. Tuberculous patients are admitted to Hawley and Hawkmoor Sanatoria. The treatment of Tuberculous patients is controlled by the Tuberculous officer at Barnstaple who conducts a comprehensive follow up scheme for all patients and contacts.

An orthopaedic clinic is held at Bideford Hospital. There is one Resident Children's Nursery in the District.

(6)—**Ante-natal and Post-natal Care.**

Ante-natal and post-natal clinics are conducted by each General Practitioner in the area in co-operation with the midwives. Specialist facilities are available at Barnstaple.

(7)—Blind Persons.

The number of registered blind persons in Northam U.D.C. is 12. Cause of disability : Cataract, 4; Glaucoma, 1; Optic Atrophy, 2, and other causes 5. There were no cases of Ophthalmia neonatorum notified during 1959.

**4.—PREVENTION AND CONTROL OVER
INFECTIOUS DISEASES.**

During the year 18 cases of Measles, 1 new case of Tuberculosis, 2 cases of Trichiniasis, 8 cases of Whooping Cough and 2 cases of Scarlet Fever were notified.

Vaccination against Smallpox and immunisation against Diphtheria and Whooping Cough are carried out by the General Practitioners of the area, and also at the Welfare Centres and School Clinics.

Poliomyelitis inoculation is carried out under the Devon County Council Scheme.

The cleansing and disinfection of infected rooms is carried out by the Public Health Inspector, and in cases where the bedding of necessitous cases has to be destroyed, the Council gives reasonable compensation.

No action was taken during the year under the Public Health (Prevention of Tuberculosis) Regulations, or under Section 62 of the Public Health Act, 1935).

5.—SANITARY CIRCUMSTANCES IN THE AREA.

Northam Water Supply.

The water undertaking of the Northam U.D.C. was taken over by The North Devon Water Board on April 1st, 1958 and services continued by them.

Drainage.

Northam and Westward Ho! are served by main drainage which discharges to a sea outfall at Rocks Nose, Westward Ho! which is covered at low water. The only river to which sewers discharge is tidal and there are a number of outfalls serving Appledore, West Appledore and Part of Orchard Hill.

(a) During the year the Public Health Inspector made numerous inspections of a sanitary nature. Complaints of nuisance were all remedied after serving of informal notices.

(b) There are four Elementary Schools in the District. All were inspected and found to be in a satisfactory condition.

6.—INSPECTION AND SUPERVISION OF FOOD.

Milk Supply.

There are 10 registered dairymen in the District. Samples of milk were taken for examination and analysis.

Any samples which failed to pass the tests were reported on, and further samples in each case passed as satisfactory.

Bakehouses.

There are 5 Bakehouses in the District. All were inspected and found satisfactory.

Slaughterhouses.

There are 2 slaughterhouses licensed in the district, but slaughtering has been carried out in one premises only. All carcasses are inspected after notice.

7.—HOUSING.

There were no new Council houses or bungalows completed in the district in 1959, 19 were built by private enterprise.

Several houses were inspected under the Housing Acts or Public Health regulations. There was no action taken under statutory powers during the year. Disinfection of rooms was carried out where necessary.
